Softer Volumes: Cafés

Introduction

Welcome to *Softer Volumes: Cafés* — a coffee table book showcasing beautifully-designed cafés around the world. From eye-catching modern interiors to charmingly simple spaces for enjoying a great cup of coffee, this book features over 100 hand-picked coffee shops in more than 70 cities.

We hope you enjoy this book for years to come.

Thank you very much to everyone involved in bringing *Softer Volumes: Cafes* to life, including the featured cafés, designers, photographers, writers, contributors, partners, and the Softer Volumes team.

Café Chez Têta

Montreal, Canada

Café Chez Têta offers classic welcoming Lebanese hospitality with a modern twist. Comforting, traditional dishes and locally produced third wave coffee grace the menu. The space is pared back and minimalist, with clean, smooth lines in dark walnut that provide a warm contrast to the polished concrete floor and white walls.
